ABOUT AD-OLGY RESEARCH

Ad-ology is the science of customer insights for effective advertising and marketing. Our research focuses on the specific demographic, psychographic, geographic, or vertical market segments most likely to be your best customers - as well as their needs, wants and what motivates them. Ad-ology Research is used by over 2,000 advertising agencies, media companies, and corporate marketing departments across North America.

Ad-ology Research Reports:

Ad-ology's **Audience Interests+Attitudes** reports make vital psychographic data affordable and are available for more than 300 customer types. Each report analyzes 70 topics of interest including: Lifestyle, shopping attitudes, personal goals, media usage, Internet/mobile usage, advertising attitudes, social media usage, sports interests, and cause/charity support. See the complete list of customer types available at ad-ology.com. \$295 each.

Ad-ology's **Digital Media Influence on Consumer Choice** examines the influence digital media has on purchasing decisions across nine consumer product categories. Digital media topics include blogs, social networks, mobile marketing, and twelve more. View available topics and download reports at ad-ology.com.

Ad-ology's **Industry Marketing Insights** reports help you get smart fast with advertising and marketing insights on over 400 B2C+B2B industries. Each report provides a relevant compilation of research, sales/ad budget estimates, consumer spending, and key demographics, plus exclusive, top-line Ad-ology primary research. Available at ad-ology.com \$195 each.

Connect with the customers who spend the most on what you have to sell with Ad-ology's **Consumer Spending Forecasts**. Target the market segments and zip codes that have the most revenue potential. Consumer Spending Forecasts feature estimates and analysis of annual consumer spending on your choice of 600+ products/services, plus five-year projections. Includes consumer spending by age, race, income, owner/renter, and family status. Available for your choice of 210 television markets or 330 metro markets. \$50 each.
